**ORDER**

Before the Court is Plaintiff's motion to exclude the testimony of Defendants' expert Andrea Hayes, M.D. (Docket Entry No. 128).<sup>1</sup>

For the reasons stated in the Court's Order denying Plaintiffs' motions to exclude Dr. Hayes in the related action of Justin McKennon and Andre Stephens v. Enoch George, et al., 1:12-cv-00095, the Court concludes that Dr. Hayes' anticipated testimony sufficiently complies with the admissibility requirements contained in Rule 702. Accordingly, Plaintiff's motion to exclude the testimony of Andrea Hayes (Docket Entry No. 128) is **DENIED**.

It is so **ORDERED**.

---

<sup>1</sup>The Court notes that Plaintiff's motion indicates that it is brought by Plaintiff Larry McGuire. Mr. McGuire is a plaintiff in a related action (No. 1:12-cv-00082), in which a virtually identical motion to exclude Dr. Hayes was filed. The Court interprets the reference to Mr. McGuire in the pending motion as a mere scrivener's error, and will consider the motion properly brought by Plaintiff Wall.

ENTERED this the 18<sup>th</sup> day of September, 2014.
